HILES NEWS

The first of next month, Thursday, September 1, is the first Day of school for Crandon School District. Kids, vacation is over for you. It's time to hit the books again. It's also time for drivers to be aware of school buses on the road. Vacation is over for the teachers, bus drivers, and the rest of the school staff, too, but they had a nice summer vacation this year with plenty of hot weather and sunshine.

Hmm, cooler days, hints of color in the trees, shorter days, and school buses on the road again—all signs that summer is coming to a close. It sure seemed like a short but very busy one.

Condolences go out to Thoraine Mc Henry on the death of her husband Lynn, who passed away suddenly last week. A wake was held at the funeral home in Crandon on Friday. The Hiles Service Club served a dinner for family and friends at the town hall afterwards. The rest of the funeral arrangements will be held in Milwaukee.

I happened to see a house go by on the highway last week. It was in two pieces, of course. It turned down Pine Lake Road. I later heard that it was a delivery for Dick and Jan Rausch, who live on Pine Lake.

Two of our residents are spending some time in hospitals. Kathy Bruenning is in the hospital in Rhinelander. Vic Burkey, Hiles Fire Department Chief, who often drives an Ambulance for the Crandon Area Rescue Squad became a passenger in the ambulance himself this past week. We hope for a speedy recovery for both of these fine people.

This week, on Thursday there will be a meeting of the Hiles Service Club at 1:00pm at the museum in the town hall. There will be a meeting of the Hiles Hattitude Red Hatters at Pine Lake Pub at 6:30 pm that same day.

Marilyn Pfeiffer had the pleasure of a visit from her daughter, Lisa Jackson, for the past week. When our kids grow up and move away, it seems we never get to see enough of them. Enjoy your kids that are still at home while you can, before the birds leave the nest and fly away.
