

Hiles News November 6, 2023

By: Margaret McCarthy

This past Sunday was a fun day at the Trailhead Pub at the Little Pine Motel. It was an event to benefit the Hiles Volunteer Fire Department and First Responders. Many supporters were on hand, not only to support the Fire Department, but also to luckily see the Packers win! The win made the day even better. While I don't know the final amounts, I can say that I saw handful of tickets with everyone for the wonderful baskets that were donated. Birthdays were also celebrated at half time and between the third and fourth quarter for the bartending twins Abby and Ally Pease and for Dan Samz. Thanks to all that came and supported yesterday. The funds truly benefit our town, whether it be for new sets of fire suits or for new training opportunities or whatever other need the Fire Department has.

Tuesday, November 14th at 5pm will be a meeting by Ayres Associates and the Pine Lake Rehabilitation District discussing the plans for the Pine Lake Dam. It will be a final chance to ask questions and get more information about the reconstruction of the dam. The meeting will be held at the Hiles Town Hall. All are welcome to attend.

Saturday, November 18th will be a craft fair at the Hiles Town Hall sponsored by the Town of Hiles Service Club. Hours will be from 10am to 3 pm and a lunch will be available as well. Come and shop local and see what fun things are available.

A little way out yet, but time goes by so fast so put it on your calendar now for next year! Saturday, February 3rd, is the Annual Hiles Fire Department Fisheree on Pine Lake. Cash prizes plus bragging rights for another year for the biggest fish in several different categories, along with other cash raffles will be available.

Have a great week everyone! Remember to keep Ray and Jennifer Nery in your prayers as they continue fighting his health battles. If you know of someone else, please reach out to me and let me know!
