He will report on this next month. **OFFICER & COMMITTEE REPORTS:** Treasurer stated that she sent the Room Tax letters out late so she changed the response date from October 31, 2015 to November 15, 2015. Clerk reported that the town received a certified letter from Frontier concerning damage done to their cable by the road crew on Hanson Plat/Stover Road . Sent an invoice for \$788.50. Tauer stated that diggers hotline miss marked the road and the town was not paying for this. Clerk gave him the letter and bill and he will take care of this. Clerk also received a letter from the towns insurance carrier Rural Ins. with a claim number concerning an issue with the town truck. Seems someone backed into the town truck that Mike Bukovic was in. Tauer stated that he contacted the insurance and it is being taken care of. Clerk wanted to know why she was not informed and asked that all paperwork on both issues be given to her to file. Tauer attended the county TRIPP meeting and said that the town should wait until the next time to request funds as some towns who have never requested funds before have this time around. He also said that there is an update to the PASER program and Bob Machon will help with this. Tauer has the road maps for the state and will be sending them in tomorrow. Kentuck Lake road is paved and shouldered and looks really nice. Pitlik & Wick has not done the Hanson Plat Road project yet. **Town Hall Paint Issue:** Hoening has used a new stripper and did four different spots to see if it makes it through the winter. Will redo in the spring. The town assessor Todd Pauls sent a letter informing the board it is time for a revalue. The cost would be \$38,900.00 over a two year cycle. Clerk will contact him and have him send a contract for the November meeting. Bukovic stated that he looked over the Farmland Preservation Plan and found it to be okay. He also had some sign designs and will give them to Mark Ferris. Lovrine gave the board a sketch from Tom Carlstedt on the addition to Station B. Also reported that the cost for ambulance service from Eagle River is about \$3,374.00 around the same as last year. **CITIZENS INPUT:** Paula Schiller property owner on William Bonack Rd which is a private road addressed the board with concerns on the miss use of the road. Seems there was a deep ditch at the end of the road and vehicles were not able to cut through, but recently it is being filled in. She stated that her concern has more to do with safety issues than anything else. After discussion, board agreed that something needs to be done . Perhaps a guardrail or other means of blocking access. Paula did ask the town to replace the Dead End sign. **READING & APPROVAL TO PAY VOUCHERS:** Motion by Lovrine to approve for payment vouchers #17742-17786. Second Bukovic. Vote all aye. Motion carried. Motion to adjourn Bukovic. Second Lovrine. Vote all aye. Meeting adjourned at 8:30 p.m.
